January 11, 2010

Greetings!

January 2010 - Cold in Orlando, but a hot FUN show!

EVERY DEALER I spoke with at the FUN show had a good or great show! We sold more at this FUN show than the 2008 and 2009 FUN shows added together. My table was busy from opening through mid-afternoon on each day of the show, with a lot of collectors looking to find coins on their want lists.

I have acquired nearly 50 new coins that aren't yet on the website. The newps include an 1830 LM-6 R5 half dime in PCGS AU-58, 1836 LM-1.2 half dime in PCGS XF-40, 1864 business strike half dime in PCGS VF-20, 1866 business strike dime in AU-50, 1867 business strike dime in VF-20, 1807 B-2 quarter in VF-20, 1819 B-4 quarter in VF-30, 1822 quarter in PCGS VF-35 CAC, a rare 1852/52 quarter in VF, 1854-O Irregular Date quarter in F-15, 1872 quarter in AU-55, 1852 half in PCGS AU-58, and 1859 dollar in NGC AU-53. Some of the coins I mentioned are quite difficult to find, so if you need one, please e-mail or call me before someone else does. As usual, I will be posting the pictures over the next few days, but you can reserve any coin now and make a decision on it after the picture has been posted.

Thank you again for your business and I send warm wishes to help you get through this cold winter!
